Lake Hospital System Self-Pay Policy

It is the policy of Lake Hospital System, Inc. that patients will be treated fairly and with respect regardless of their ability to pay for the services they received.

To provide counseling to all uninsured patients, including help in understanding and applying for local, state and federal health care programs such as Medicaid and HCAP.

To describe to patients without any third party healthcare coverage (governmental or private) that they may apply for charge reductions through the Lake Hospital System Uninsured Charity Care program.

To establish reasonable, interest-free payment mechanisms based on the patients ability to make payments.
